Number of Texts: 1

Text 1: ff. 1r-4r

Title: Prophecy

Language(s): Latin

Notes: Prophecy details the election of Pope Leo X in the conclave, his subsequent actions in the European church (specifically in Italy, France, and Germany) during his tenure as pope, and predicts the events following Leo's death and the election of Pope Clement VII in 1523. Possibly given to Giovanni Todeschini Piccolomini (Ad Reverendissimum Cardinalem Senense, f. 2r), who was the archbishop of Siena (1503-1529) and participated in the conclave of 1523
